Here's What Attendees Said About Advanced Manufacturing Minneapolis 2022...

"It was great to put faces to names of vendors that we have worked with, meet new faces of potential clients, and greet old friends who have seen each other at these events for years."

"We were able to connect with engineers and procurement people from key companies in our targeted industry sectors. It was all promising."

"The quantity of leads is awesome regardless of the size of the booth."

"We were able to see a variety of applications for the product we make."
